
HOTLRC Club Information

CLUB / MEMBERSHIP INFORMATION

The Heart of Texas Labrador Retriever Club, Inc. [HOTLRC] is a sanctioned breed club for Labrador Retrievers.

HOTLRC holds an annual Labrador Specialty Show, conformation matches, working certificate tests for hunting ability, CGC (Canine Good Citizen) tests, and eye clinics. HOTLRC proudly supports Labrador Rescue through the Heart of Texas Lab Rescue Club.

General meetings provide the opportunity for members to participate in club activities and business, as well as learn more about what our wonderful Labs can do. Past speakers at club meetings have included Therapy Pet Pals of Texas, Southwest Guide Dogs, and the Travis County Sheriff's Department K9 Unit. Our website calendar keeps members up-to-date on club happenings.
